

WELCOME TO NEW & RETURNING FAMILIES!

We look forward to meeting you, greeting you and working with you to make every year at Herbert Spencer better than the last! Some of you may not know what a PAC is, what we do or how we aim to make an impact. The info below should help.

What is a PAC?

We're a committee made up of parents and guardians of children at the school. We make up the collective voice of all. We fundraise and organize events to enhance all children's school experience while helping parents to be involved & informed.

How can I become a member of PAC?

Any parent or guardian of students registered at the school. The PAC has six Executive seats as well a few Members At Large seats. The Executive roles change each year and are voted on at the June PAC meeting.

How can I get involved?

Two ways. Join the PAC committee or by volunteering at school events.

PAC meetings are held throughout the school year. This year they will be on the first Wednesday of every month at 7 pm. The meetings are held in the school library and all parents and guardians are encouraged to attend. It is an opportunity to become informed about school activities and to get involved, should you choose. We are always open to suggestions and ideas.

I love what PAC is doing! Can I make a donation to support their efforts?

Absolutely! A number of parents have asked to make a donation as they are unable to give of their time. We will gladly accept cash donations, 100% of which will go directly to supporting our activities. Email us or leave a cheque at the school office made payable to Herbert Spencer PAC.

How do I find out what PAC is doing?

Communication from the PAC can come from our newsletter, emails from the school or our facebook page.

Of course, you can just ask a PAC member too!

I want to volunteer!

How do I sign up?

That's easy. Click either link and be added to the list. You'll be contacted by e-mail when volunteer opportunities arise.

What are some of the events organized by PAC?

The PAC is involved with organizing a number of fundraisers throughout the year and creating fun events for students, families and the local community. Some of our regular events include:

- Hot Lunch • Welcome Back BBQ • Halloween Fun Night •
- Herbert Spencer Christmas Craft Fair • First Light • Sports/Fun Day •

How do I deal with a concern, problem or question about school?

We all have concerns from time to time. PAC does not get involved in resolving individual child issues.

The school administration are very approachable for any concerns you may have.
